The Poleadion is a grand open space, ideal for staging large events. Its superior quality in both design and strength will shield your event from all but the worst of the British weather. With the addition of the Matrix marquee we can create further capacity by adding an entrance porch, bar or catering tent. With uninterrupted sight lines, the Poleadion is our recommended choice for functions with 160-250 seated, dance floor and bar.

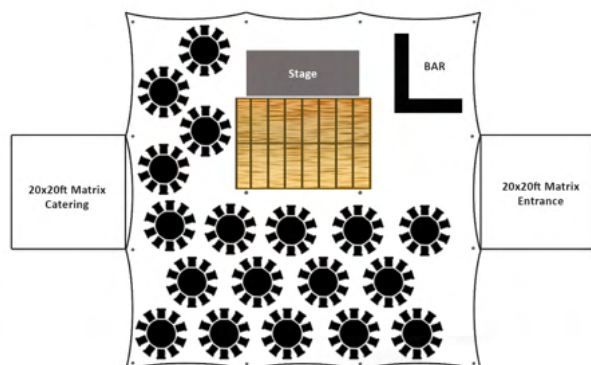

P60 (60x60ft or 18x18m)

- Part Seated up to 180*
- Fully Seated 300
- Standing 450

Example layout: Wedding

P60 with 180 guests on 5.6ft round tables (10 per table) with 8x20ft stage, 16x24ft dance floor and space for bar. Attached is a 20x20ft for the Entrance and another 20x20ft for Catering (Matrix).

With guy ropes allow 80x110ft or 24x33m for this setup.

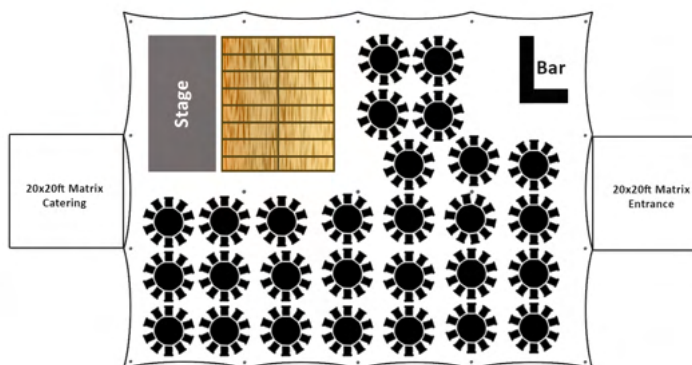

P80 (60x80ft or 18x24m)

- Part Seated up to 280*
- Fully Seated 400
- Standing 600

Example layout: Summer Ball

P80 with 280 guests on 5.6ft round tables (10 per table) with 8x20ft stage, 24x24ft dance floor and space for bar. Attached is a 20x20ft for the Entrance and another 20x20ft for Catering (Matrix).

With guy ropes allow 80x130ft or 24x40m for this setup.

*Part Seated allows for a dance floor, stage and bar area.
